Mr. George Balasingh
Golden Homes (P) Ltd
Anna Nagar
Chennai

Dear Mr. George Balasingh,

This note comes to say two little words, which means so much – “THANK YOU”.

Since 1995 you took over my house for flat promotion and from the inception of “Golden Chateau”, it was a friendly, helpful and kind personality in you that made us feel comfortable and confident that we had entrusted this to the right person. At every stage you were so co-operative and adjustable to anything that we requested you for till you handed over to me a real beautiful flat. All the beautiful buildings promoted in Chennai by Golden Homes indeed are outstanding landmarks.

When I approached you and told you our plight, you willingly came forward to take over the responsibility of selling our flat. Seldom has a builder come back to help his old clients which you did for us. I felt confident that the sale of my property was in safe hands.

The role that Ms. Uma Maheswari, Marketing Manager played in this was commendable. She took it up as a personal task and went all out tirelessly contacting buyers fixing up meetings with them. She never gave up till at last she did find the right person. We will not forget her kindness and help extended to us, and particularly to two senior citizens.

May God bless her, Golden Homes and may your borders be enlarged still more.

With kind regards, wishing you all the best.
